Dear Mr White,

All Saints Vicarage, Cambridge

Thank you for your letter of 11 September, which crossed mine asking for news of progress. I am very glad to hear that the Church Commissioners have agreed to the sale, and I return the form of consent by the patron to the shortened procedure.

Enclosed also is a photocopy of the relevant plan, which I hope will be adequate for your purpose. You will have heard that I have suggested that a document containing both covenants should be drawn up by our solicitor for approval by yours, and I trust that this other form of 'shortened procedure' will be acceptable to you.

Yours sincerely,

Bursar.
